Members should use discretion when changing as there may be young children using the same facilities. Locks must be removed daily when the Member leaves the Club or they will be removed by Club Staff, locker emptied and contents given to Aquatic Director. Members are required to have an appropriate swimming suit. Lifeguard's orders are to be taken without question to maintain safety and civility.

Starting and ending Lap times should be respected!

Can I suspend my Boys & Girls Club Lap Swim Membership?

There is no charge for medical suspensions. A medical suspension requires a doctor's letter stating the reason and length of absence (6 months maximum).

Involuntary resignation of the Boys & Girls Club Lap Swim Membership:

The Boys & Girls Club reserves the right to discontinue the Membership or privileges of any member for failure to comply with any rules or regulations adopted by the Club and conduct or language the Club's Staff determines inappropriate. A discontinued Member remains liable for all dues and charges incurred. Management may discontinue the Membership of any Member whose account is 60 days in arrears.

I agree and will comply to the above information stated. I acknowledge that my

Membership can be discontinued if conduct or language are deemed to be

inappropriate and will abide by the rules of the Boys & Girls Club of Northern

Westchester. Signed: _____ Date: / / 6/19/18
