

PROGRAM FACT SHEET

COLLEGE QUEST

College Quest is BGCNW's signature college readiness program which provides a range of services to guide Club members as they work toward high school graduation and prepare for post-secondary education and career success.

Youth are paired with supportive mentors who help guide them through the college process and beyond; helping them to identify best-fit-factors, write college application essays, research and apply for scholarships and other financial aid; research and apply for work-study or internship opportunities, and more!

Components of College Quest include:

- **Diplomas To Degrees - d2D** is a targeted program in BGCA's education core program area that encourages teens to make connections between their interests and future career paths, plan and prepare to enter postsecondary education, and develop the social-emotional skills and attributes to be successful in their educational endeavors.
- **Money Matters** - a literacy program designed to help youth develop the financial skills that can lead to workplace readiness, lifelong financial stability and overall success.
