NYOI

National Youth Outcomes Initiative

Over the past decade, BGCA has worked with Club organizations to build their capacity to collect and use data to measure youth outcomes. The Formula for Impact, a research based initiative, guides Clubs in helping youth achieve positive outcomes in three priority areas: Academic Success, Good Character and Citizenship, and Healthy Lifestyles. The NYOI survey, which we administer annually to Club members ages 9 and up, measures the degree to which Club members are achieving these outcomes.

The survey is completely anonymous.

NYOI measures are categorized as follows:

- Club Experience**
- Safety**
- Academic Success**
- Character & Citizenship**
- Healthy Lifestyles**
- Social and Emotional Development**
- Workforce Readiness (age 13+)**
