Molly McGourty

Molly McGourty joined the Boys & Girls Club in the 3rd grade as a member of the Marlins Swim Team. Since then, she has expanded her relationship with the club through the learn to swim program and involvement with advocacy groups. She has taken the opportunity to teach in the learn to swim program throughout the year, as well as during summer camp. Not only is she an active member in the water at the club, she has participated twice in the clubs trip to Albany to advocate for funding afterschool programs. She, along with a group of other teens were able to secure funding for nutritional, mental health and general after school programming. Molly intends on going to college and studying something in the medical field.
