## Adam Kamal

Adam is a Junior at Horace Greeley High School. As a 10 year Club Member and Marlin, Adam has honed his skills and continually pushed himself to be better. Outside of challenging himself in the pool, he challenges himself academically by taking the most difficult classes offered in his school and self-studying his own interests. During his leisure time, he enjoys connecting with friends and family and exploring new places/cultures that are foreign to him. Through his studies, Adam has developed an interest in math and physics and plans to pursue a degree in Electrical Engineering.
